

That Ye Might Be Filled With All the Fullness of God

Question: Ephesians 3:19 says, “And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.” What does this verse mean?

Answer: To be filled with all the fullness of God means to be fully God Conscious. One whose mind is fully illumined is fully conscious and he is filled with the Spirit and Wisdom of God from above. He will walk and live in the fullness of the Light of Truth, and in him there is no darkness at all. This means that there is no part of his mind that is not Conscious.

This verse of Scripture says that in order to be filled with “*all*” the fullness of God, one must first “*know*” the “*love of Christ*” because it is the love of Christ that “*passeth*” Knowledge, whereby we may be filled with the Love of God. The love of Christ is a demonstration of the Life force that is the Light of Consciousness that is IN the living Word of the prophet, which is the Knowledge of Truth.

Each of the following paraphrased Scripture references is an attribute (or input) in the creation of Life forms, and each shows an attribute of Spirit that represents different operations of the **ONE Life force**. ***Spirit and Life working through the wisdom and knowledge of one’s mind*** increases his wisdom and knowledge, and at the same time expands and intensifies his consciousness and his light of mind. The Spirit of the Lord said, “If you walk in the ***light as I am in the light***, in you will be no darkness at all.” Here the “Spirit” said, “***I am in the light***,” which means “***I am in your mind***.” “***In your mind***” means, “***I am your consciousness; therefore I am your Life***.”

The Scriptures say, “God is Light; God is Love; God is Truth; God is Spirit; and God is Life.” One’s life is in the Spirit, and the light of his mind is his consciousness. The greater the measure of one’s light of mind, the longer his “life time” will be in his body. The spirit of the prophet who said, “***As long as I am in this world, I am the light of the world***,” is the spirit of the god of this world who so loved the world that he gave his “life” (which is his consciousness of mind) for it. The “world” means the earthly, bodily temple of flesh. One’s consciousness and light of mind is Spirit and in it is his Life. ***One’s mind is his Lord***. The Spirit of one’s mind is his very own Life force that rules his body. One’s Spirit, Mind, and Life is the Lord, which is his very own “beingness.”

Love is one of the manifestations of Life that is called the “fruit of spirit.” It may be the “*fruit of the spirit (or mind) of man*” or it may be the “*fruit of the Spirit (or Mind) of God*.” The “*love of the world*” means the desires and feelings (emotions) of the flesh that are “moved” by the consciousness of the earthly form of knowledge. The “*Love of God*” means that one is dead to the feelings and the emotions of the flesh, but alive in the Spirit, and his love and his desire for Truth and Life are the only things that “move” him. His energy (Life force) is no longer “moved or manipulated” by the things of the temporal, outer world and its nature. These things have lost their attraction and luster because the fire of desire for the things of the flesh has gone out. His attention and his energy are totally focused on the things pertaining to Life and Godliness.

The ***Knowledge of God*** is given by the Spirit of God. All incorruptible Life forms are the children (“seeds”) of Spiritual Knowledge. “Love” is the firstborn “*daughter*” (fruit) of the Knowledge and Wisdom of God from above, and the “*Peace*” that passeth Understanding is the firstborn “*son*.” The ***knowledge of man*** is also Spirit. The knowledge and wisdom of man are the father and the mother of all corruptible and temporary earthly life forms.

Man's earthly knowledge is knowledge he learns through the avenue and the works of his "senses." He is of an unclean spirit (mind) because his knowledge is filled with error. Mankind's firstborn spiritual fruit was *fear*, but the Love (fruit) of God who is born of perfect Knowledge casts out "fear" because the fruit (spirit) of fear is not of the God Nature. The Knowledge and Wisdom of God are the father and mother of all heavenly Life forms, which are atoms on a higher order of Life.

The difference in the work and the fruit of the spirit of man (error) and the fruit of the Spirit of God (Truth) is the difference in the Light and consciousness of Truth concerning one's own being and the Knowledge of the Law of Spirit and Life one has in his mind. The knowledge and wisdom of man produces a very short measure of Life, and a very dim, temporary light and consciousness of mind. The Knowledge of Truth (which is the pure Word) at its end produces eternal Life in the body and the fullness of the Spirit and Light in one's mind. The fullness of Light of one's mind means to be fully God (who is Light) Conscious. This means that you will remember and remain fully conscious of your activities when you are out of your body while it is resting (asleep). You will be able to *go in and out of the body* as you choose and your body will not dissolve (die) -- nor will you become unconscious while the body is resting or sleeping.

One who will *know* Truth will be wise and bear ("pass") spiritual children. A man's words are his spiritual children (seed). Words spoken by the Spirit of God (Truth) *are called "the children of the day (light)." Wisdom is justified in her children, which are her fruit and Knowledge of Truth. The "just" (wise) shall live by the increase and the Substance of their own living words of Faith. **Living Faith that works by the Love of God (which is the Spirit of Wisdom) is the Substance of all eternal Life forms.*** One who lives by Faith, which is pure, living spiritual Substance, is justified in the eyes (light) of God (Mind). The eyes of God are intelligent Life forms (atoms) that live and have being in the Light and Consciousness of Truth.

One who will "know" the "Love of God," which is the fruit of the Spirit of Wisdom, must first "know" the "love of Christ" which is the fruit of the word of prophecy. The knowledge of Truth is the "seed" of Truth whereby one will prosper and increase his Light of mind and his measure of Life. This knowledge is called the "word of the prophets." The spirit of prophecy is the light, the life, and the mind of the son-of-man, the holy prophet of God, which is the "fruit" of the word of the prophet. The "Love" of God, the daughter and the Light of the heavenly Father, is the "fruit" of the Word of Wisdom from above. The "Love" of Christ, that first came in the form of "sinful" flesh, is the fruit, the life, the light, and the consciousness of mind produced out of the knowledge and the wisdom of the words of the prophets of the god of this world -- which is the carnal, moral law. The life, the spirit, and the consciousness of the mind of the Soul (senses) came by the law and the words of the prophets which formed the body and nature of a natural / earthly man.

The Substance of the Wisdom of God from above is the "Tree of Life" who is the Mother of all the children of God the Heavenly Father. The substance of the wisdom of earthly man, who is the god of this world, is the "tree (body) of sin and death." The increase of the gift of the Word (Seed) of the Woman, which is the Word of the Wisdom of God, is the Substance of the bodily form called the Tree of Life, and she bears the fruit (children) of the Spirit (Father) -- one of which is called "Love." Just as Adam "knew" Eve (the wisdom of this world) and she conceived and brought forth children (and all of her children died), likewise, one who will "know" the Love (Spirit) of the twice-resurrected Christ (the Love of God) must first conceive of the eternal, pure Seed of Truth, wherein is the Wisdom of God from above -- for it is by this "pure" Word that he and his whole house shall live!

The first Christ seed of knowledge (the first Faith) is the "Good Word" that came by the son-of-man called Jesus of Nazareth. The first seed was not the "perfect" seed, but was made perfect by the things that

he suffered. Through it came the substance of the bodily form of the “*acceptable sacrifice*,” and the life, the light, and consciousness of mind of the son-of-man. ***The body of the “resurrected” Christ of God is the Tree of Life. Every part of this Tree and its fruit is alive and incorrupt. Every “atom” in every cell of the body of God is a child of God the Father. An “atom” is pure, intelligent Spirit and Life. IT IS FIRE!***

The “Life” force in an “atom” is anti-matter. A heavenly atom is a “sun ray.” Atoms are the source of all Life forms, however all atoms are not alike and their bodily forms are not all made from the same type of matter. Anti-matter is *Life* without form, motion, light, or sound; it is pure, intelligent Life before the body of the *atom* is formed out of Mind Matter and born. Anti-matter is Anti-Christ, who is “Light” and “Mind Matter.” Anti-matter means “opposite of matter” -- in the same way that Spirit and flesh, cold and hot, fire and water, dark and light, and night and day are opposite forces. Anti-matter is pure Life essence and it is the opposite of all forms of flesh matter -- which are temporary ***because Life is eternal and never changes its way.***

The “love (spirit) of Christ” is the substance and the light of the mind of the son of man and it is the testimony of Jesus. It is “the spirit of prophecy” which is the spirit, the life, and the light of mind produced by the resurrected Word of the forefathers. The living, resurrected “seed of prophecy,” *the knowledge of Truth*, is the Word that is called the “*bread of life*” from heaven, out of which comes the “*Wisdom of God from above*,” by which the eternal “*body of Christ*” after the Spirit is formed. This first body of Christ is the body of the son-of-man; it is the first fruit of the first man Adam. It is the substance and the bodily form of the words of knowledge and the wisdom of the mortal law and the prophets of old. This “body of knowledge” (flesh) is the “*fruit of the seed*” of our father Moses (the carnal law) that must be embodied (fulfilled) once in an earthly, bodily form. This body of flesh is appointed to “die once.”

It is the body of Christ after the flesh which is the man and the mind of sin (senses). It is the word of the law and the prophets that was embodied in the form of a man, and the word became flesh. This is the fully developed and fully formed body of the first man Adam who is called the son of man. This body is the fully formed first fruit of the moral law. This body of flesh must be begotten, fully formed, and born again by the Law of Spirit and Life.

If a man will “bear” (birth) a body in the likeness of the earthly law through the seed (the knowledge of the first man Adam), he shall also bear the image of the heavenly, spiritual body through the Knowledge of the last Adam, which is the Knowledge of the perfect law of liberty. Please read and study carefully 1 Corinthians 15:34-58.

One who “seeks” and finds (stirs up) the gift of the Word of the Wisdom of God from above within himself will bring forth and bear in his body the Tree of Life out of the “Seed of the Woman.” This Seed (Son of Wisdom) is the “Pearl of Great Price.” This Tree of Life will bear the Life and the “*Love of God*” from within the heart of God (the garden of her own pure heart) where the Spirit of Truth, the Son-of-God -- called the “Peace” that passeth (births) Understanding -- lives and rules. The fruit of Spirit called “the Prince of Peace,” the Peace that “passeth” Understanding, is the “Son” of the Most High God which is also called “***the Knowledge of the Holy***,” and he is the last Adam who is a “*quickening Spirit*.” This body of incorruptible Substance and Life is the bodily form of *the Wisdom of God from above that is Understanding*.

Love and Peace and all of the children of God the Father must ***pass through and be born of*** the Tree of Life (which is the body of God, the Mother of all forms of Life) in order to have eternal Life. One must embody the Wisdom of God and bear spiritual children if he will be filled with all the “fullness” of God. ***He must “get Wisdom” before he can “get Understanding”***-- for it is through the body of the Holy

Mother that the Holy Word (Son) of Wisdom (which is the strength of the Holy Mother -- the Knowledge and Understanding of the perfect Law of Liberty) must pass.

The “fruit” of a “seed” (word) must pass through a living body of substance in order to manifest and BE the fruit of the seed. A living, physical body is formed out of the substance of the seed called Faith after it is conceived in the heart of a holy man. This first embodied word is the acceptable sacrifice of the body of Christ after the flesh (knowledge) of man; it is created by the substance of the word of knowledge and the spirit of the prophet. *It is the “body” that is called the “seed of promise.”* It is not the “promise” itself, but it is the seed (or word) out of which the “promise” will come. This body of knowledge is a seed and it must “fall into the ground and die” or else it will abide alone -- for it is the body of a man alone. This body of holy Substance is the “door” to eternal Life. It is through the Substance and the Life of this ***holy seed of Knowledge*** -- after it is crucified, dead, and resurrected to newness of life -- that one partakes of *divine Nature* and thereby receives all the exceeding great and precious promises of God.

If one “***will be filled with all the fullness of God***” (who is Holy and who is Spirit, Life, Light, Truth, Love, Peace, Joy -- and add to these “all things pertaining to Life and Godliness”), ***he must conceive and bear all of these children of “god, the earthly father” and “God, the Heavenly Father” -- in his own body.*** These Spiritual children of the last Adam are the “***fruit of the Spirit***” and they are all the children of God the Heavenly Father. They are the Sons and Daughters of God the Father (Spirit) and God the Mother (Holy Ghost / Mind). ***These three -- the Father, Son, and Holy Ghost -- are ONE Spirit and ONE body, and they are of divine Nature.*** This body is the one bodily form of the Substance of Truth and Life in which all of these living beings of Light and Life must be conceived, and in which they must be formed and through which they must pass (or be born). This body of incorruptible Substance is the body of the Holy Mother that is created by the “Holy Father.” ***This body is the Substance, the Spirit, and the Life of the Word of him who died and rose again.*** This Heavenly Body is the Holy Temple and New Jerusalem which is formed out of the Wisdom of God that descended out of heaven from God. ***It is the embodied form of the eternal Word of God Almighty,*** the incorruptible and indestructible Word (Pearls) of Wisdom and Truth.

Put on the whole armor of God and you will be filled with all the fullness of God. When one is “filled” with all the fullness of God, his bodily form is the manifestation of the Substance of the living Word of Knowledge and the eternal Word of Wisdom. ***When the body and the mind are filled with the Substance of the Spirit, the Light, and the Life of God the Father, God the Son, and God the Holy Ghost, then the body’s form will be filled with all the fullness of the Godhead!***
