

Question: The Bible tells us that God creates by His Word. We are created in the likeness of God. Does this mean that we also create by our word?

Answer: Yes! It is the mouth that sets into motion the Universal Spiritual Law, **the Law of Creation of Forms**. You create your own circumstances in the following manner.

First, what you entertain as a thought will become what makes up the content of the heart. The heart is the place where you gather words to make a sentence and therefore a statement. As you think or meditate on a thought, it becomes an image of a **thing** taking shape or form in your mind. Then, as you express or articulate the **thing** thought on, it is given **sound and kind**. It is animated and clothed by the vibrations in the voice and given life by the feelings of the speaker at the time it is spoken -- and in this way the word becomes a seed that becomes a form.

All men live or die by the words of their mouth! When you align your mouth **with** the Law of Life -- **you live by it**. When you align your mouth **contrary** to the Law of Life -- **you die by it**. The words of your mouth are as a two-edged sword. It is not what goes into you that defiles, defeats and destroys your crop, but rather it is what comes out of your mouth that does all of the damage. If you **think** on words (things) that give Life, then you **speak** words of Life -- and you **get** Life! As a man thinketh in his heart, so is he.

There really is only one Law. When you read the Bible concerning this subject, at times it appears to be talking about two laws: the Law of Life and the law of death. The Scriptures are not talking about two laws, however, because the **one Law of Life** is the only active force in the universe. When you are in compliance with it, it provides you with everything pertaining to Life and Peace. When you are not in compliance with it, the consequence is automatic. To the degree you break the Law of Life, it will break you. By the right use of this Law, anyone can and will defeat every enemy -- every thought of failure and defeat.

By disagreeing with Life, victory, and winning, you are agreeing with death, failure, and defeat. So think before you think on anything negative or that which has even a hint of failure -- because negative thinking does not have God, or Life, as its source! Do not ever allow such a thought to come into your house (your heart), and thereby you will shut off the possibility of it going out of your mouth. Truly, out of the abundance of the heart, the mouth speaks.

You are a Self-contained entity. By way of ideas, thoughts, meditation, and speaking, your words stand as the **only friend or foe** in your world or in your universe! When a person aligns his thinking and his speaking with the Word of God, he then begins the Faith walk. There can never, ever be a true **Faith walk** until there is true **Faith talk!** Words of Faith are words of Substance and Life.

No, I am not teaching man's doctrine of "Name it and claim it." When you name it, you don't have to claim it, because it is already yours! It is already your child with your mark upon it. It has your DNA in it, and on it is your name! It knows its mother (your heart) and its father (the spirit that sired it), and it knows the womb that gave it birth (your mouth). It will in time return to the place it was sent out from with the "work" done that it was sent out to do.

Your words work for you or against you! Words of Substance and Life are not some religious idea, cliché, or gimmick. This is the Law of the Universe -- and **it works all the time, for everyone!**

The source of your knowledge determines the kind and quality of the “seed” you sow, and therefore the quality of your creation. This source also determines whether or not your creation will abide forever or be temporal and soon vanish. *You alone* are the one to determine this outcome. “God”-- as most people view God -- has absolutely nothing to do with it!

This Law can never fail! It cannot be manipulated. It can be disbelieved, **but this disbelief has no power to change it. This is the Way of creation! This Law is in force -- and this Law is the force!**

To the degree one rules his whole household, he rules his life and the quality of it. A wise man will keep his body under subjection to himself. **A man’s “body” consists of everything he is! THEREFORE KEEP A CLOSE WATCH OVER YOUR MOUTH!**
