

WHO IS ANTICHRIST?

Question: Who is Antichrist?

Answer: She has many names:

She is the Spirit of Error.

She is the Angel of Death.

She is Babylon the Great.

She is the Wisdom of Man.

She is Lucifer, the Light of Man.

She “rules the night.”

She is the Woman of the Night.

She is filled with all manner of fleshly lust, greed, pride, and every evil imagination. She has perverted the Word of God and made it into a lie. Her heart is of stone and her womb is full of corruption. She sees evil in all -- because in her is all manner of evil.

Two thousand years ago, when the seeds for the Message of Truth and Life were sown in the earth by a man called Jesus of Nazareth, before he even finished sowing the seeds of this “New Covenant” there were those who were already perverting his message -- they were already “Antichrist.”

Antichrist is a false apostle (light). She is the wife, the “church of the false prophet.” She is Babylon! All her children are full of corruption, and the air is filled with every evil -- and only filthy birds fly out of her mouth.

She is the creator and source of all pain, sickness, and death in the earth. By her cunning ways she has caught all men in her evil clutches. Her days are numbered, however, and in the end she will stand naked before God.

Her filthy rags are made of self-righteousness, and her eyes are full of iniquity. Her head is crowned with thorns, and all of her increase is wood, hay, and stubble -- all of which is fit for nothing but to be burned.

Her way seems right to a man, but the end thereof is death.

She is the temple of religion that now is. This temple must be disassembled, and every stone in her must be thrown down. She and her husband, the false prophet, have imprisoned all of mankind with their lies. She and her husband are now busy working all manner of miracles, and showing all manner of lying wonders in the earth because they KNOW the time for their works is near the end. It is now time for those who are in her to come out of her and repent, and turn from the evil of their ways and “seek” the “face” (Truth) of the Living God.

Her name is “Legion,” for in her are many lost souls that are caught in her net, like a fly caught in the spider’s web. On her head are many crowns, for there are many kings who have lain in her bed. All of her works are of the flesh of men and they all must be destroyed.
