

The Anti-Christ Spirit

The Holy Scriptures declare that in the last days there would come the spirit of one with cunning ways who would “charm” the people with his great, swelling words -- promising peace and prosperity in the earth. The Scriptures say that this one would ascend to a position of authority and leadership, and that the whole world would be astonished and deceived by the miracles, signs, and lying wonders that he would do and say. The prophetic word says that he would persuade most of the citizens of the land to believe that he is their means of deliverance and change for good.

In Matthew 24:24 and Mark 13:22 this man is called a “false prophet.” He operates by the spirit of anti-Christ. 2 Corinthians 11:13 speaks of “false apostles.” A false apostle is a *false Christ*.

The increase of a false prophet is a *false profit*; it is a gain or increase of earthly knowledge and wisdom, goods and power that will be short-lived! The increase of a false prophet is a false apostle. The apostle is “the spirit and the light” of the false prophet. A false Christ is the doctrine and wisdom of man.

Anti-Christ spirit is anti-Light, which is spiritual darkness. Those who follow this spirit’s cunning ways (the wisdom of man) prefer darkness rather than Light. They are the children of hell. Anti-Christ is Anti-Matter, and it is the “fire of hell” that sets on fire the course of nature. It utterly destroys everything in its path. It is the tongue that is a little member, yet it is capable of guiding great “ships” in the waters. The false prophet, speaking by the spirit of anti-Christ (which is the spirit of the false church) is anti-Light, anti-Truth, anti-Life, and anti-God.

The Wisdom of God is the “True Light.” The “false light” is a product of the wisdom of carnal man; this light (wisdom) God will destroy with the brightness of the Light of the True Word. See 1 Corinthians 1:19.

The false Christ was already at work in the earth over two thousand years ago during the time of Jesus of Nazareth. The spirit (mind) of the false church called “mystery Babylon” is the temporary light that the doctrines and laws that are of mortal men give.

It is now time for the “true prophet-profit” and the “false prophet-profit” to be disclosed. All that is hidden shall be revealed and all that is covered shall be uncovered. We now see the spirit of anti-Christ being loosed all over the earth. It is the “Fire” that shall try, test, and prove every man’s works (flesh) and reveal what kind of works they are. That which is of wood, hay, and stubble will dissolve from off the bodily form of the creature -- and the ones hiding behind the mask of flesh will be revealed. Those whose works are of gold, silver, and precious stones will also be revealed (exposed) to show what kind they are. Those whose works (flesh) are burned *when the full intensity of the Fire falls* will suffer loss, but they themselves shall be saved.

This is the hour of time in prophecy for the outpouring (baptism) of “the Holy Ghost and Fire.” The Holy Ghost is the latter rain, and it is the Living Water from Above -- the Wisdom of God. The Fire is Anti-Matter.

The spirit of anti-Christ is Anti-Matter, and when Anti-Matter “touches” matter (flesh) wherein there is no Wisdom of God, the flesh (knowledge and wisdom of one’s carnal mind) will be swallowed up by the Fire and disintegrate. The Fire / Spirit (Anti-Matter) and water (flesh matter) are at totally opposite poles. Without the flesh matter (the Living Water of the Word), the Fire (intelligent Life) has no form, and

without the Anti-Matter (Fire), the flesh matter has no Life. Without the Life in the matter (*Fire in the water*) there can be no conscious mind or light of mind. It is the “Light” in the Word of Truth that is in the mind that *covers the mind matter* and protects the matter (water) from the Fire. Read John 1:1-13, noting verses 4 & 5. Therefore one who dwells in darkness and will not receive (come to) the Light of Truth by which he can be covered and live *shall surely perish*. If there is no Living Word of Truth (God) in one’s consciousness of mind, *then there is no Light of mind and he dwells in darkness*.

Those who dwell in the True Light and know their God (Truth) shall be strong and do exploits during the reign of anti-Christ. The anti-Christ is the spirit of darkness *out of which we have all come* who now dwell in the light of day.

The “man of sin” will soon be revealed, for he is diligently at work now in high places. One need only know the “Word of Truth” to easily recognize him and his works of spiritual wickedness. As he and his followers (those who dwell in darkness) continue to refuse to come to the Light and continue in their quest for the destruction of the world system that has been in place for two thousand years, only those who receive and work in the “Truth / Light” will be able to survive. No one will be able to operate a business, buy or sell food or medicine, or buy anything else they have need of except they bow and give their allegiance to the forces of darkness, the anti-Christ spirit (which means the laws and doctrines of men).

The false prophet (the doctrines and religions of men) will control the masses by the spirit of anti-Christ and by his cunning ways and “the words of his mouth.” He really is a great pretender, setting in (occupying) the temple of God, pretending he is God -- and only those who are able to recognize and know the “spirit of error” from the “Spirit of Truth” will know him. ***He, like the Pharaoh when he was contending with the prophet Moses, will appear to have equal power with God.*** At his end, however, the True God will show His power (Truth) and swallow up darkness (false doctrines) with Light.

The great pretender is a false witness -- saying things and making promises about a “god” that he does not know, and even persuading men to believe what he says about this god. We are not speaking here of a “man,” but rather about the “*spirit of a false doctrine*” speaking through men and teaching lies.

The times and events described herein are already well into full production. It is not too late, however, for those who will come to the Light to do so. Time is running out, though. Soon the door into the Light of Truth will be closed and there will not be another opportunity for anyone to come in during this dispensation of time. The wisdom and doctrines of men are soon to be taken out of the way and the “*True God*” will be revealed by the Light of the True Word.

It is now time to harvest the last fruit of the “wheat” and the “tares” that have grown together until now at harvest time. The tares (the children of the night) will be gathered first and their works will be tested and tried by the Fire of the spirit of anti-Christ. Their works will not be able to stand up to the test because they are carnal, fleshly, and devilish. They are of wood, hay, and stubble. They have been content to “camp out in the letter of the Word” and perform their religious rituals while professing to be wise (but they are greatly deceived). Their religion is vain and their carnal self-righteous works are as filthy rags. They worship an unknown god and exalt each other in their way. They draw big crowds, collect big money, and build big buildings for monuments to themselves *while the house of God (their bodies) goes un-built*. See Haggai 1:2-10.

The “dwellers in cieled houses” described in Haggai 1:4 are those whose minds are closed to the Light, and they dwell in darkness. “*Know ye not that your body is the temple of God that must be rebuilt (born again) by the Spirit of God working the work of God in you?*” How can the Spirit build a new body when

there is no Living Substance of Truth (Faith) in you, out of which to build it? How can anything grow and increase where there is no light of day?

For God's sake, wake up and come out of "religion" and man's programs and put on Christ, the Light of Life, to protect you from the "Fire of anti-Christ."
