

The Light Workers

The Light Workers are those who do their “works” in the Mind and Consciousness of the True Light. “The fields are white to harvest, but the (Light) workers are few.” We must gather the fruit of the *last* harvest of this present world into the barn while it is day; night cometh when no man can work. The Light Workers are the ministers of God who execute the powers of a higher order of Knowledge by which to separate *Truth from error*.

The last planetary cycle of the earth in this dispensation of time and the last generation of the light and consciousness of mortal man is fast coming to an end. The new Aquarian Age is emerging and the separation of the waters above -- “*the true and living Waters (Word)*” -- from the waters below is already well under way. The time has come for the knowledge of man (evil) and the spirit of error (man’s carnal mind) to be taken out of the way. ***We must accept the True Word and ascend into the Greater Light or we will descend into the night and the darkness of the waters below!***

The conditions described in Genesis 1:2 that were upon the earth in the beginning will once again be so at the end of this age. Another planet which now exists in the second dimension will ascend into the third dimension of life and begin its evolutionary process in the third dimension as the planet earth did before animated life forms first emerged out of the waters. This present planet earth will also evolve and is now evolving into the fourth dimension. No one who does not reach at least three and one-half dimensions (measures) of consciousness and light of mind will be able to remain on planet earth beyond the end of this time cycle which is now closing. Another planet will assume the earth’s present place (position) in the new cycle and the creation process of animated life forms will begin anew.

The Souls that are here now *that do not ascend with this earth* will descend into the deep waters below -- and once again darkness will be upon the face of the new planet and its inhabitants. They will once again begin a new evolutionary process in flesh matter, and over eons of times they will populate the new coming three dimensional planet with new life forms. As it was in the days of Noah, so shall it be again in the end of this present age.

The way out of living in a three dimensional life form and into life in a four dimensional life form is straight and narrow, and there are only a few who will find it. Those who do find the “way” (path) will assist others who are willing and ready to leave behind the way of ignorance (man’s religion and systems of governing) and enter into the True Light. The “way” is explained in the parable of the sower in Matthew 13:18-43.

In addition to assisting some incarnates across to the other side (the fourth dimension), the Light Workers will also be assisting the planet herself to ascend. ***Another duty that is assigned to the Workers is to rid the planet of those who are not willing to turn from their carnal ways, repent, and prepare themselves to ascend.*** The Light workers will also help to strengthen and settle those who are ready to accept the “True Word” in their new life.

Please read Romans 13:1-5. The rulers (ministers of God) and the higher powers mentioned here are the “Light Workers” who speak “*the Fire of Truth*” -- the Knowledge of the Holy, which is the Law (Word) of Spirit and Life. *They will execute righteous judgment upon the earth.*

As for those who are now incarnate upon the earth who operate their life according to man’s ways (and by the consciousness and mind of a mortal, carnal man), if they do not accept the True Doctrine of God, they

will be the pioneers and leaders of the new three-dimensional world (planet) -- *but they will work and lead through a mind and the eyes (light) of a beast*. All things will be as they were in the most primitive times of man's beginnings, and man will have a reprobate mind. He will be a lawless beast without a conscience or any sense of good and evil or right and wrong. It will be a very long time before he will be able to "*bear rule*" over the rest of the beasts in the field again.

Likewise, those who do cross over to the other side will be the pioneers, teachers, and leaders of their new four dimensional world, having the mind of Christ and working the work of God. They will populate the new earth with all manner of new life forms.
