

The Living Word Is In My Mouth

Romans 10:8 says the following: “But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach.”

The word (knowledge of evil) of a carnal man is a “seed.” The Word of God, the Knowledge of Truth, is also a “seed.” The “seed” of a natural (carnal) man is a “worm” maggot. The word of an earthly woman (the wisdom of man) is an “egg.” The fruit of the egg of a natural woman (the wisdom of man) is first a serpent (the law of Moses), second a scorpion (whose sting is in its tail), and third a viper (whose bite is in his mouth). These are three generations of the “seed of the woman,” the earthly wisdom.

A man’s “seed” are in his mouth and in his testicles. A natural woman’s eggs (words of wisdom) are in her mouth and in her ovaries. Man sows seed and lays eggs by the words of his mouth. Man also begets of his own kind by sowing seed out of his loins in the belly of the woman. If the seeds in his loins are “corrupt flesh” (maggots / worms), then the seeds (words) of his mouth are also corrupt (worms) -- and the eggs (wisdom) of his mind are serpents, scorpions, and vipers.

After one is begotten by the Spirit of God and has received the incorruptible Word of God in his heart, the bodily form which will emerge or evolve from within the Word (Seed) of God that he has conceived within himself will be a *holy, incorrupt, God-kind of life form*. God is Spirit and God is holy, so God’s Words are living, incorrupt spiritual Seed. A man’s *earthly body* is begotten by the spirit of man, and it evolves from the seed of a man through the body of a woman. The *body of God* is begotten by the Spirit of God, and it evolves and is formed out of the Seed (Word) of Wisdom. The “spirit of prophecy” is the spirit of the son-of-man who sowed the “*good*” seed of Knowledge in the hearts and minds of the followers and disciples of the doctrines of the New Testament.

When the Spirit quickens the “good seed” (the gift of the Word of Knowledge) that is sown in the ground of the heart of a man, a new life form begins to emerge within him and grow out of the seed (Word) of Knowledge. As the substance of the seed grows and increases, it reaches (touches) the mind and consciousness of the disciple of the Word and a new revelation of the Word is received.

The new revelation is a new and living form of the Word of Knowledge, the seed of the son-of-man. The new form of the Word of Knowledge is Wisdom, the “woman” -- which is the female aspect of the “man” (the Word of Knowledge). This earthly Wisdom is given by the spirit and the mind of the bondwoman. It is the first fruit of the “serpent” (law) and it is a “scorpion” (the sting of death). She produces the mind matter of an earthly man. The wisdom of man also produces the bone (body structure) and the form of the seed when it is combined with the egg. This is the serpent (man) and the scorpion (woman) who produce the viper (son) who bites and devours the good seed that are sown. This “viper” also evolves to become a “consuming fire.”

The mortal senses of an earthly man who is “born again” of the Spirit and Wisdom of God are converted and transformed by the Spirit of the Mind and the Wisdom of God. After a man is converted, he will be “circumcised in the heart” by the Spirit, and his stony (mortal) heart of clay is taken out, and he is given a new heart of holy flesh and a new nature.

One who is born of God’s Divine nature is not male or female, but he is *both* male and female -- and they are one. One of Divine nature has no need for the “seed” (Knowledge) of man (the prophet) or the “egg” of the woman (Wisdom / the apostle) in order to produce an increase of the Word and create a form. With

God, there is no “*seed -- time -- and harvest.*” With God’s Divine nature there is no “speaking” to the “future” -- because WITH GOD THERE IS NO TIME BUT NOW!

The Word of God *is in the mouth of God* in the form of living spirits whose bodies are made of Cosmic Mind Matter. These living beings of Light are conceived and born in the Light and Consciousness of Cosmic Mind. They are Cosmic (spiritual) Pearls of Wisdom. After they are born in the Mind Matter (the Consciousness of pure, living Waters -- Cosmic Mind Matter), they descend into the saliva glands in the “head” of the body of God, and their rays of Light -- the incorruptible, living Word of Truth -- are continually in the mouth of God. When God speaks or breathes, the living Oracles that proceed out of the mouth and the breath of God are filled with the Presence of Wisdom and Life.

The Word (Oracle) of God is a Light ray (Son of God), and there is Life in the Light of the ray. Every Word of Divine Wisdom that is spoken is the spiritual “*bodily form*” of a Divine Oracle -- and “*is the Oracle!*” Every Word spoken by the Spirit of Wisdom (God) works by the Spirit to do the will of God and bring forth a form of the Word according to the Divine plan and according to the Divine design the Word holds within it. Not one Word (Son) of God will ever fall to the “ground” (as a seed) and die and need to be resurrected (lifted up from the earth).

The living eyes (Sons / Light rays) of God are the creators of all forms of life. They go to and fro throughout the whole earth, seeking out God’s own. They go where the Father (Fire) of all Life sends them, and they never return to the Father’s house void or empty-handed. The living eyes of Wisdom know the desire of the heart of God (the Mother) and they know the Mind of the Spirit (the Son). They also know and do the will of the Father. They always satisfy the desires of the heart of God (their Mother) and the Mind of the Spirit (the Son), and they always do and fulfill the will of the Father.

The spittle (living Water) in the saliva glands of God Incarnate is as the semen in the testicles of a man. The Light Beings (living spirits of Wisdom) live in the saliva glands as the sperm live in the semen of a man. The Spirit (Father / Fire) moves upon the Consciousness of the Mind of God (the Mother) and an idea (Son / Light ray) is immediately born. The thought and the intent of the mind and the heart of God (the Mother) always agree with the idea (Son) and the will of the Father. These four -- the idea, the thought, the will, and the intent of the heart of God -- are one. *These four attributes of Life and the creation of form are enfolded within every Light ray (spoken Word / Son of God) that is “sent forth from the mouth of God.”*

In Psalms 34:1, the psalmist David said. “I will bless (increase) the LORD (spiritual Life Force) at all times: *his praise (Light rays / Living Word) shall continually be in my mouth.*”
